

The 2018 Savanna Goat Spectacular -A place to meet, learn and have some fun with other Savanna Goat enthusiasts! Pedigree International Savanna Goat Division is working hard to make 2018 the best year ever, starting with the planning of our very first Savanna Goat Spectacular. It will be a great event where you can meet your Savanna Goat enthusiast friends, listen to some wonderful seminars and have a whole lot of fun! We want this first gathering to be super special, as we know it will shape the future of others like it. We are hoping to have your support! There are many ways that you can contribute and get some outstanding promotion of your farm in exchange! Although we would love to see EVERYONE there, if you cannot attend, you can still send your farms promotional goodies or become a Spectacular Sponsor. For more information, please contact Paulette at pedigree@pedigreeinternational.com!
