

Pedigree International has arranged special pricing of Microchips for all active PI clients through MicroChip ID.

Microchips - regular ISO or 840 chips \$5.75 each (pre-loaded in sterile needle)
Hero Scanner with Bluetooth (reads ALL chips) \$195.00
Pocket Hero (reads ISO or 840 ONLY) PI Client price \$50.00

840 Chips with your Flock / Premise ID are also available, just ask. Be sure to have your ID numbers ready when you call.

985-898-0811

Be sure you mention you are a PI client. They will then look you up to confirm you are an active client and your special pricing will be applied.

YOU MUST CALL for special pricing.

Anyone in 'Sales' can take your order and provide your special pricing.
If you order online you will be charged regular price.
