The seller of semen is required to provide a DNA Case code on all semen bucks at the time of sale. All DNA case codes are required to be affiliated with the Pedigree International Affiliation account at UCDavis. If you have questions on how to do this call Pedigree International. Please read the Semen Policies on the Pedigree International website to be sure you are up to date on all requirements. A copy of this Semen Sales Report must be submitted to PI within 15 days of the sale. Sales report submission is the responsibility of the BUYER. Filling out this report is necessary in order for registrations of offspring of semen produced prodigy to be accepted into the database.
